Dear Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97, 1.98 and MPEP § 609, applicant submits the following Disclosure Statement concerning art of which the applicant is aware. A copy of PTO/SB/08 Form (renumbered from 1449) is enclosed.

This Information Disclosure Statement should not be construed to be an admission that any information referred to herein or submitted herewith is "prior art" or is considered to be material to patentability for this invention.

The United States Patent and Trademark Office OG Notice dated 12 October 2004 published a final rule revising 37 C.F.R. 1.98 dealing with the content of Disclosure Statements. Paragraph (a)(2) was revised to read in part, "A legible copy of:

(i) Each foreign patent; (ii) Each publication or that portion which caused it to be listed, other than U.S. patents and U.S. patent application publications unless required by the Office.” Therefore, Applicant(s) has (have) not enclosed copies of the cited U.S. patents and published patent applications with this Information Disclosure Statement.

In accordance with 37 C.F.R. §1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(b) exists.

☒ Under § 1.98(a)(3), a concise explanation of relevance is required for information that is not in the English language. Accordingly, the English language documents have no further explanation. The foreign language documents were cited in an international search report, which was previously submitted on February 21, 2006. The Examiner asserts that the documents were not previously submitted. Accordingly, they are being submitted now, for those reasons.

Consideration of the appropriate paragraph(s) indicated below is respectfully requested:

☒ BEFORE FINAL ACTION, OR NOTICE OF ALLOWANCE, OR ACTION THAT CLOSES PROSECUTION: Applicant provides this Replacement Information Disclosure Statement in accordance with the Office Action mailed May 7, 2009. Although it is believed no fee is necessary, any deficiency in fees should be handled as set forth below.

Please charge any and all fees or credit any overpayment to Deposit Account No. 06-0308.

It is respectfully requested that the document(s) listed on PTO/SB/08 Form be considered and officially cited in examination of this application.

Respectfully submitted,

Fay Sharpe LLP
